Property Owner/Taxpayer Responsibilities and Reminders...

Be aware of the important dates and deadlines for payments, applications for property tax relief and assessment appeals.

It is very important that you be aware of your property tax due dates. Tax bills are mailed on each parcel not coded for a Mortgage Company however; failure to receive a tax bill does not excuse the taxpayer from paying the taxes, late charges and interest accrued, if any.

Make sure that you notify the assessor's office whenever your mailing address changes. You can contact their office at 208-236-7260.

When mailing your tax payment, make sure the envelope is postmarked on or before the due date.

If you will be traveling or out of the country at the time taxes are due, contact our office for an "estimated tax amount" so that you can prepay or make other arrangements to pay by the due date.

Proof of payment of property taxes is the responsibility of the taxpayer [Idaho Code 63-1306(2)]. Be sure to keep accurate records, receipts and cancelled checks documenting your payment.

Note: The Treasures's Office Does Not Mail Out Second Half Reminders!
